FIX it Faster app founder Mez Graham loves the rural elements of Dural.

Q When did you move to this suburb and why?

A I moved here to Dural from Bondi 10 years ago to be with my partner. I am from country NSW, so the semi-rural feel appealed to me. We are on acreage, so it feels quiet and spacious.

Q What do you like most about living there?

A The space, the trees, the birds and farm produce.

Q What is your favourite cafe/restaurant/bar?

A We rarely go out in this area as the options are

limited and often overpriced for their offering. We had a nice meal at the recently opened Vicar (pictured), which was good. I also love Warrah Farm Shop at Dural.

Q Do you have a favourite park or outdoor space in the area?

A My backyard (is a favourite place to spend

time) and the gorge at the end of Quarry Rd.

Q What do you enjoy doing on the weekend?

A Cooking and entertaining friends and family.

Q What do you wish you could change?

A The industrial buildings everywhere.
